

Job Opening: Couple and Family Therapist (m/f/d) Part-Time

The Association of Binational Families and Partnerships has been advocating for the rights of binational, migrant, and transnational families and couples for over 50 years. We strive for diversity and equitable participation in society.

Position: Couple and Family Therapist (m/f/d)

Location: Munich

Hours: Up to 20 hours per week

Responsibilities:

- Provide diversity-sensitive counseling for binational and migrant families dealing with separation and divorce, focusing on children's needs.
- Networking with relevant institutions.
- Organize and facilitate parent groups and group work with children.
- Contribute to public relations and professional committees.
- Develop and update counseling concepts.
- Work with co-therapists and interpreters.

Requirements:

- Degree in social pedagogy or the equivalent in a related field.
- Training in Systemic Family Therapy, ideally with mediation certification.
- Relevant experience in counseling parents and children, particularly in high-conflict separation cases.
- Intercultural competence and sensitivity to diverse backgrounds.
- Proficient in German and English, with an interest in co-therapy.

We Offer:

- Independent work in a pleasant atmosphere.
- A small, diverse, multidisciplinary team.
- Professional development through supervision and training.
- A central, easily accessible workplace.
- Competitive salary in line with TVöD SuE 12, pension scheme, and annual bonus.
